SPIDER WEBSITES

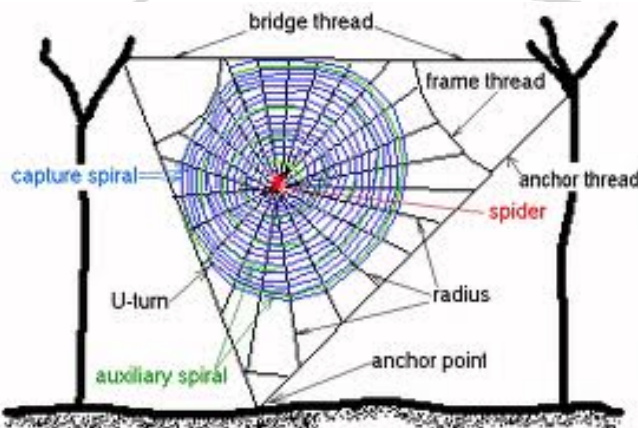

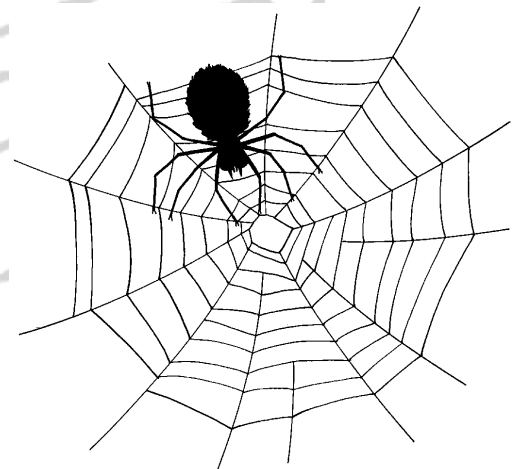

Sunday September 29

2 to 4 pm

Meet on the Beach Drive grassy field at the entrance to Cattle Point

Frolic with naturalist Margaret Lidkea of the Friends of Uplands Park, through the rocky meadows of Uplands Park, finding spider webs

of different shapes and maybe their builders. Discover local spiders, their habits and which ones can bite people. Play spider games and make your own arachnid to take home. Suitable for all ages. Donations appreciated.
