Urban Forest Symposium
Join our Panel of Experts

Tuesday November 3rd • 7-9pm
Windsor Pavilion

You are invited by
Habitat Acquisition Trust,
Friends of Uplands Park and
Oak Bay Parks & Recreation to learn
why trees play such an important
role in our Communities.

Learn:
• What is an Urban Forest?
• How do trees benefit our Community?
• How do trees benefit your property values?
• What is the state of the regional Urban Forest?
• What are Natural Areas and how they relate to Urban Forests?
• How can private land owners support the Urban Forest?
